

MAP TO CAMP MICHAWANA

Lansing

These directions may look confusing the first time you look at them. But this map and directions have been carefully prepared, and the trip will be easier than it looks!

From Birmingham, take I-696 West. It will turn into I-96 West. Continue on I-96 West toward Lansing. Just past Lansing, take I-69 South to Charlotte. Take Charlotte Exit (Exit #61). At the end of the exit ramp, you'll see a big sign that says, "Welcome to Charlotte". Turn right. You are now on Lawrence Rd. Lawrence Rd. will twist and turn a few times in town, but just keep following it through town and out into the country. In about 14 miles, Lawrence Rd. will hit M-66 and jog. Turn left on M-66 and then IMMEDIATELY turn right again. You will still be on Lawrence Rd. After about 9 more miles, Lawrence Rd. finally dead ends at M-37/Bedford Rd. Turn Right on M-37. Take the first left, less than a mile, on Brogan Rd. Brogan Rd. will dead end in exactly 3 miles at Cedar Creek Rd. Turn Right on Cedar Creek Rd. Take the first left, less than a mile, on Schultz Rd. Schultz Rd. will dead end in 1.7 miles at M-43/Wall Lake Rd. Turn Left on M-43. Take the first Right, about a mile, on Head Lake Rd. While on Head Lake Rd, you will see the Michawana Maintenance Entrance and the Michawana RV park entrance. Pass both of these! Turn Left on Wilkins and then left into the Main Camp Michawana Entrance. Once inside the camp, follow the signs to where we will check in campers!

If a situation arises in which your child needs to be returned to you on an emergency basis, we will meet you half way. In this case, please follow the directions to the City of Charlotte. As soon as you exit the freeway and turn right on Lawrence Rd., turn right into the Speedway gas station. We will meet you at this gas station.
